Symmetrical design

Made from PVC-free faux leather & wood

C-clamps

Soft finish

Your arms rest softly and comfortably.

Curved shape

Comfortable working for everyone.

Improves your sitting posture

Ergonomic design for optimal support

The R-Go Ergonomic Armrest provides optimal support to the forearms during monitor work. The curved shape allows you to slide in well and support the arms close to the body. This stimulates an upright working posture and provides relaxation in the shoulders. The armrest is padded and therefore feels soft and comfortable. This armrest fits almost all desktops.

We care for our environment

We strive for circularity in the design and production of our products. For this commitment, we have received the **Ecovadis Platinum certificate**.

- ✓ Our armrests are 100% recyclable. They are made from wood and PVC-free faux leather.
- ✓ Eco-friendly packaging made from recycled cardboard with FSC certified sleeves.
